## Professional Development and Training Modules 2010 Central Victoria - Echuca

This training opportunity targets Teachers, Year Level Co-ordinators, Primary Welfare Officers, Well Being Co-ordinators and Assistant Principals & Principals in the Echuca Region of Victoria.

We target these staff members as they all play key roles in student well being and welfare in schools.

The professional development program has maximum effect when a team of key staff from a school participate.

Solving the Jigsaw provides practical tools and strategies for a whole school approach to violence, bullying and well being.
